# **Apartment information**

Please take care not to disturb your neighbours with noise or litter. Residents have the right to inform the site management company of any disturbance. This may lead to those responsible being asked to leave the site. A fine of up to £250.00 may be imposed in such circumstances.

All lodges are non-smoking. If evidence of smoking is found, a charge of up to £100.00 may be made for odour removal by a specialist contractor. Please also note that sensitive smoke/heat alarms are installed in each apartment and are connected to the central system.

Any damages, lost keys, or additional cleaning due to the lodge being left in an unfit state are chargeable. At the end of each stay, our staff routinely check the condition of the lodges and its contents against the inventory.

As part of our continuous maintenance programme, we sometimes require access during the working day and will try to contact you before making such a visit. If you particularly need us to inform you before we make any maintenance call, please phone 029 2002 9959 to ensure this is done.

On the day of departure please leave the lodge in a reasonable tidy condition. If you have a dishwasher, please load the dishwasher. In cases where apartments are left in very dirty conditions, we reserve the right to charge you the costs for the additional cleaning time.

Urban Space cannot accept responsibility for loss or damage to any personal items. The lodges are safe and secure. However, we recommend that you keep your apartment door locked at all times and always double-check the identity of anyone knocking on your door before opening.

### Help us save the Planet while enjoying your stay:

We would really like you to help us save energy and water.

Going out or not using a room? Please turn off the lights and help us save energy and reduce our carbon footprint.

Towels dry? Ensure the heated towel rails are turned off. The switch outside the bathroom operates the towel rail. Remember to take caution as towel rails can become very hot.

### **Service Cleans:**

If you are staying with us long enough to have a weekly service clean, we will arrive between 9am and 4pm to clean your apartment. Please see your check-in letter for the day of the week your service clean is allocated for.

If you have personal belongings left on items of furniture, we will clean around them but won't move them with the exception that items left on the bed will be moved to enable our team to change your bed linen and make the bed.

Your service clean includes a change of bed linen and towels, all carpets hoovered, and flooring wiped clean, dusting in each room, all bathrooms cleaned, mirrors polished, and kitchen surfaces wiped clean. Please note that cleaning dirty plates, pans and cutlery is not part of the service clean.

If you would like to arrange additional service cleans, this can be arranged at an extra charge. Please call us on (0)29 2002 9959 for further information.
